Summer in Ripon
White Rabbit Hunt

Did you know Lewis Carroll, (real name Charles Lutwidge Dodgson), lived in Ripon as a young man. His father was canon of Ripon Cathedral from 1852 until 1858.

In the Cathedral quire find the carving that looks like Alice after she followed the 'drink me' instruction and shrank!

Is the Cathedral's crypt tunnel the inspiration for the rabbit hole? Why not go down and see!

Use the map to narrow down the location of the rabbits. TIP: there may be more than one egg on each street marked!

Hidden amongst the arches of the Cathedral there is a figure of a lady standing on a bodiless cat. Is this inspiration for the Queen of Hearts and the Cheshire Cat?

Can you find the carved gryphon chasing a rabbit down a hole in the Cathedral quire?
